

# Volunteer Opportunities- Current

## Educational Engagement Program:

**Lunches Help-** EGADZ has an opportunity for someone who would be interested in helping out on Monday and Thursday morning from 10am – Noon making lunches with 2 or 3 youth for up to 14 youth from the education program. Duties would include basic kitchen safety and assisting the youth in making nutritious lunches.

## Drop In Centre:

**School/education** - we'd like to have a list available of people that could meet with youth by appointment that can help with homework (this one will be more for September and would be great if we had what subjects they are good at)

**Employment** - same as school but for resume building, interview prep, etc (ideally these would be hr people or people that have some experience hiring, reading resumes, etc)

**Transportation** – Picking Youth up with an EGADZ vehicle and bringing them to Centre/ rides back home again after. Shifts of 2 volunteers at a time. For younger youth and will be coordinated by Youth Workers. (4pm-9pm).

**Odd jobs** - for people that would like to help EGADZ but maybe don't want to or don't need to be working directly with the youth. Completing our chore list is the main goal here, the clothing room being top priority.

**Extra bodies for games** – Volunteers would go with groups to play basketball, swimming, participate in other activities with youth and staff.

## Organization:

**Casual Volunteer-** Put on list for opportunities to participate in activities or special events when needed. Volunteers will be added to a Casual volunteer list and when big events, single events, or short term opportunities are identified they will be emailed to volunteers on the list to see if anyone can help out.
